Jewelry findings: ring with pad, bangle bracelet with pads, round stamping blank (for necklace), small stamping blank (earrings), pendant frame

Also Used: Hot glue gun, embroidery floss & needle

Instructions:

1. Rolled Flowers:

- Cut one 12" - 18" strip per flower from burlap trim.
- If you are making a ring, you will want to cut the width of the trim in half.
- Twist and roll trim into a flower shape.
- Use glue gun (liquid glue or glue dot will work, but I like hot glue better) and glue flower to jewelry piece.
- Add brad to center.

2. Gathered Flowers:

- Thread needle with embroidery floss and stitch around non-scalloped edge of crochet trim.
- Gather into a flower shape.
- Tie ends of embroidery floss together and glue to jewelry piece to keep flower shape.
- Add brad to center.

ENJOY! And, be sure to make one or TWO for yourself!
