“say BOO!”

Featuring: Boo! to You collection: Paper & Accessories Kit, Stickers & Glittered Chipboard
Designer: Anam Stubbington (www.anamstubbington.typepad.com)

Cupcake Decorations:

Attach one Glittered Chipboard Shape to cocktail sticks with glue dots and place in frosting.

Place Setting:

Add Sticker Strips to the Deposal cups.
Fold cupcake in half, cut out case base so it makes a skirt shape, cut it so it turns into 1 long shape. use that as a template and cut out of patterned paper. Adhere the ends together and fold it in half so that it makes a stand. Add item from the Die cut sheet and a letter from Alphabet.

Bunting:

Cut 2 Paper sheets into 1/2 inch strips. Cut those Strips into 3" lengths. Make into loop & adhere the ends with a glue dot.
Add next loop and repeat until you have a length of bunting.
Repeat as many times as necessary.

Center Piece:

Take a cardboard tube (ie Paper Towel Insert) and cover with patterned Paper. Cut two 6" Wide Strips of paper into 1/2 strips and adhere on the inside of the tube. Curl the strips of paper.
Take two 3" wide strips of paper and cut into a fringe. Take a Skewer, Paint it black. Wrap the fringe around the skewer and place it inside the tube (I stuffed my tube with tissue for balance). Decorate the rest of the skewer.

Party Favour:

I twisted some Pipe cleaners around a hairband and tied some tulle around the base. I then adhered two curled strips of Paper and a Die Cut image to each antennae.
I added some googly eyes to each piece for a little fun touch.
