Instructions:

1. Trim and Ink reverse of your Lizard Eggs paper
2. Ink Title Die Cut and add Rubon Title.
3. Apply Glossy Accents to the title & allow to dry.
4. Cut a variety of circles from your Tadpole sheet. all my circles came from a single sheet of paper. (I drew my circles freehand because I wanted them slightly wonky. the smaller circles are only part circles)
5. Distress all the edges of the circles. I used my hand to make the edges stand up slightly.
6. Ink the edges of the circles lightly. Arrange the Circles as you want and adhere them as layers.
7. Add your title and attach Brad.
8. Ink the edge of your photograph and adhere it with Foam Adhesive. Add corners and coat with Glossy Accents.
9. Add your tag with its rubons and chipboard. Add your Journaling.
10. Using Glossy Accents, add dots to the inside edge of the green circles for dimension.

Enjoy!
