Instructions: □

1. Secure "Damask" paper across center of "White Polka Dot" paper.
2. Attach lacey die cut border across top edge. Pop up Paisley border strip over seam.
3. Apply lacey rub-on along bottom edge.
4. Attach velvet ribbon over seam and secure ends to the back.
5. Attach photo behind die cut frame.
6. Secure 2" from right edge and centered between the top and bottom of the center piece.
7. Round corners on "Baroque" paper and tuck beneath left edge of photo mat about 1/4" from bottom.
8. Cut out bird image from "Dawn Cards" paper and round corners. Pop up on "Baroque" paper. Attach letters to spell title.
9. Tie ribbon and secure with decorative brad through damask patterned tag on die cut sheet. Tuck beneath to the left.
10. CAREFULLY cut out flowers and circle containing bird image on "Toile" paper. I suggest using your exacto knife to get into the small spaces first and then cut the outer edges. Pop up from the top right corner.
11. Layer bird journal box and circle die cuts as shown in the top right corner of photo mat. Depending on your photo you may need to make a slight adjustment on placement. I used "LOVE YOU" rub-on in the journaling shown here.
12. Pop up 3 die cut circle images as shown across the bottom of the frame.
13. Secure die cut diamond strip across lower right edge using 4 black decorative brads.
